Chapter 19

A Holy Knight Face-to-Face with Darkness

Why don't you train with Judge for two more days, and drink things through before making a decision. How does that sound to you?

He did his laundry the King and my teacher. They're all furious...

Damn if he wants to back out...

Did your fellow knights say that you're a bad match?

With the sole exception of Roland, I believe no one's in his league when it comes to swordsmanship...

CAPTAIN JUDGMENT KNIGHT IS REALLY GALLEY WITH A SHOCK! PD LOVE TO KEEP PRACTISING WITH HIM!

It's only been a week, but I've already improved a great deal. It's incredible.

Of course. Judge has been off but invincible since he was 15.

Still eating

THESE
WARRIORS
FROM THE
TEMPLE
OF WAR
ADVANCED
AS MORNING
THE NIGHT!

THEY CLAIMED
THAT WE ONLY
KNOW HOW TO
LIVE UP TO
PEOPLE, AND COM-
PLAINED ABOUT
HOW SLOWLY IT
WAS THAT WE
FOUGHT THEM
WHILE WE WERE
BACK. THEY FOR-
GOT AS TO IN-
FORMED FROM
THE HOUSES AND
FIRE THEM
AND SO-
ON.

Indignant

WE
ARE KNIGHTS
RISING! WE ARE
MEANT TO FIGHT
ON THE BATTLEFIELD
AND IN LARGE
NUMBERS! THEY
ACTUALLY THOUGHT
WE WERE STUPID
ENOUGH TO GO AND
FIGHT AGAINST
FOURTEEN TRAINED
IN COMBAT
COMBAT!

That...

That...

Teacher...
What on
earth...?

KIDDO!
MARRY THE
PRINCESS,
OR DON'T
BOOTHER
COMING
BACK!

Teacher?
What... What's
the matter?

Humph!
Admire me all you want,
but leave my
out of it!

The Sun Knight
refuses to hold
a sword properly.

This won't do.
You aren't
strong enough
to defeat the
Son of the God
of War. You
probably can't
even beat the
Sun Knight, and
he can't even
hold a sword
properly...

Come
with me! I
need to give
you special
training!

Wait,
I was
just...

WHAT
IS THE
MEANING
OF THIS?
Why did
you Royal Knights
show up
ON US ON
HORSEBACK
LAST NIGHT?

WE ARE
WARRIORS!
AS IF WE WOULD
FIGHT YOU ON
HORSEBACK
IN LARGE
NUMBERS!

THE
BASTARDS
FROM THE
TEMPLE OF
WAR!

interesting!

YOU
THINK
WE'RE
SCARED?

COME
AHEAD!

YOU'RE THE
UNREASONABLE
ONES! WE'RE
KNIGHTS! AS
IF WE WOULD
FIGHT YOU IN
SINGLE COMBAT!

Hehehehehehe!
Fine!! I'll take
on a whole bunch
of you by myself!
You can ride horses,
or donkeys, for
all I care!

...He is
the confidant
of the King
of Forgotten
Echo. Better
not piss him
off.

MAYBE
YOU'D LIKE TO
SPAR WITH ME.
I'LL FIGHT ON
HORSEBACK.

BUT ALONE.

On the day of the duel...

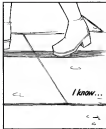

The Holy Temple is all but deserted. Everyone has arrived at the duel venue early to get a good seat.

Humph!

LET'S GO.

The Temple of War and the Royal Knights are already at each other's throats, again. You have no choice but to fight...

Heh... Since the Rider can stop going on midnight errands.

I know...

*He'll
be right
on my
heels.*

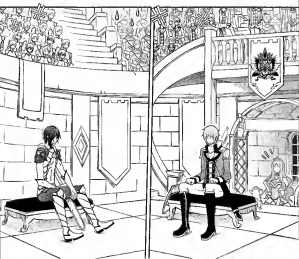

Right on time.

*"He" should
already be waiting
outside the main
entrance of the
Holy Temple.*

*Everything's
ready. I can now
set off to the
arena....*

The arena —

The sun
isn't
to
be
enter-
ing...

Huh...
~

**STOP
RIGHT
THERE
!!!**

Eh?

What?

Please, let
him in.

He is a
member of
the Holy
Temple.

He's
no one
special.

A member of the
Holy Temple?

NO...
SUPREME
DRAGON?

WHAT?
ISNT HE
JUN...

Though the costume
doesn't look like he's
affected.

This is
Captain Hell
Knight, who
has recently
concluded his
secret mission
and returned to
the Fold.

Dumbstruck...

Oh! That's
right, Captain
Hell Knight's full
name is Supreme-
Dragon Hell.

But it would be
better to address
him as **Captain Hell
Knight**, so as not
to confuse others
regarding his
identity.

Speaking
of the different
costumes... One day,
the **Shined Dragon**
Hell suddenly stood
up, "You have gained
enough XP for an
upgrade". I thought I
got caught snooping...
collecting information
on the rooftop

Don't worry,
Your Highness.
You might not
know much about
my plan, but I'll
definitely help your
beloved emerge
victorious!

What
are you
playing
at?

Indeed,
Your Majesty.
Apart from
Sus, none of the
others know of
this companion.

Ow
Explain.

It appears
that the
Twelve Holy
Knights don't
recognize
their own
companion.

Captain Hell
Knight is a unique
presence among
the Twelve Holy
Knights. The nature
of his duty differs
from the others.

But it usually
involves quite a bit
of secrecy. For example,
a Captain Hell Knight
serving in wartime would
be responsible for col-
lecting military intelli-
gence.

In other words,
the Hell Knight
is something of a
spy or an assassin,
correct? Which
would mean that
one of the Twelve
Holy Knights
specializes in
such dirty work?

Ha...

Under the guidance
of the God of Light,
Holy Knights strive to
uphold true spiritual
justice, not mere
superficial
justice!

That is not
the case.

Red men
shorten the
duration of
war. It is the
key to saving
the people of
the God of
Light from
further
suffering.

Reliable
Intelligence
can enlighten
consulters
among our
holy knight
brothers.

When
fighting a
war, possess-
ing reliable
Intelligence
is of vital
importance.

*And most
importantly,
for the sake of
enforcing the
justice of the
God of Light.*

For the
sake of saving
the people of the
God of Light, for
the sake of pro-
tecting his holy
knight brethren,

In exchange
for such valu-
able information,
someone must
sacrifice the right
to stand in the
light, and venture
into darkness...

However,
Intelligence
is not easy
to come by.
You cannot
just ask
for it.

That sure if a
Holy Knight here
the best he the
light, and he can-
do-then with dark-
ness, he still wishes
to the light, and
not in darkness.

Huh...

These
words
are not
only for
the Holy
Knight's
eyes.

Act-
ually,

They
are
for...

San
Knight.

You have
enlightened
me about
the Holy
Knights.

*Especially
the Judgment
Knight, their
leader.*

Everyone
in the
Cruel Ice
Faction.

The Sun Knight should not be involved in a squabble. Please, allow me to fight in your stead, as your doppelganger.

Is the honorable Sun Knight trying to hide something?

Captain
Hell Knight,
please,
kindly step
aside.

*Tell him
if you must,
but bear the
consequences
yourself.*

Doesn't really know what's going on but still plays along...

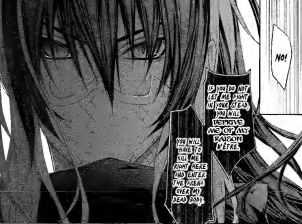

This is my
fight.

But whatever
the truth may have
been in the past, right
now the Hell Knight is
an actual person in
flesh and blood, given
the responsibility of
carrying out missions
in the name of the
Sun Knight.

Allow me to
explain, Your Majesty.
The Hell Knight was once
suspected of being the
secret identity of the
Sun Knight, and not a
knight who actually
exists...

NO!

IF YOU DO NOT
LET ME FIGHT
IN YOUR ARENA,
YOU WILL
REMOVE
ME OF ANY
FANTASY
PETAL.

YOU WILL
HAVE TO
KILL ME
RIGHT HERE
AND ENTER
THE ARENA
OVER MY
DEAD BODY.

That is
impossible...
Please move
aside, Captain
Hell Knight.

THEN
PLEASE
ENTER THE
ARENA OVER
MY DEAD
BODY!

Captain Hell
Knight, I cannot
let you fight in my
arena. Even if you
were to win, I could
hardly call it my
victory.

with the approval of all participants, the Hell Knight will take part in this duel in the Sun Knight's stead.

Who says I object? No matter who my opponents are, the victor will still be me.

It's understandable for His Excellency the Son of the God of War to object. After all, it will be rather unfair to him if the Hell Knight wins.

Of course I'm not interested in being beaten to a pulp in public.

So you never intended to enter the arena.

I never take any risks unless the odds are 2000%, or at least 1000%, in my favor.

With your deduction skills, you should have known the moment you saw me reading Cloud's silly book about choosing good luck charms.

Or did you think I was the sort who *counts* on good luck charms to make my plans work?

Cloud will be destroyed! He can't stand all of your craziness! You can't withstand my power and pretty charms! I'll crush him!

Ah... you are right! That was dumb of me.

I should have realized the moment you started to fight in a duel that it was never your intention to do so.

Come closer

Sun Knight, His Majesty the King wishes to speak with you.

Sun is not entirely sure what "mess around" refers to, but I admire Your Majesty's devotion to your sister.

I wouldn't have let you mess around if I weren't sure of my sister's feelings for Elijah.

AND THINGS GET OUT OF HAND, I'LL HAVE YOU BELL.

Ghore!

THUMP! IF MY SISTER CAN'T MARRY THE ONE SHE LOVES EVEN AFTER THIS WHOLE MESS...

What a loving big brother.

My admiration for the King is genuine.

If he insisted on marrying his sister to the Son of the God of War, he could easily foil my plans in at least a dozen ways.

But he respects his sister's decision and lets things play out. ...

But the King is right to worry. Elyoh might have trained with Judge.

But his chances of winning against the Son of the God of War are no higher than my chances of beating the Judgment Knight.

This much is obvious to me, Judge, the Temple of War, the Royal Knights.

Especially in a fight for a woman.

And, of course, the King.

But it never occurred to them that 'winning' can mean a lot of things.

Elph is pretty decent with a sword, but Captain Hell Knight and the Son of the God of War are *incredibly* talented!

At first glance, it appears to be a three-way dogfight, but it is actually more of a showdown between the *Son of the God of War* and Captain Hell Knight.

'Such exceptional swordsmanship!'

Bun's Point of View

clash clash clash
clang clang clang
clash clash clash

...Who are you talking about?

Hard to
say, and you
know what I
mean.

JUDGE
ALREADY
KNOWS
THE REAL
IDENTITY OF
"SUPREME-
DRAGON
HELL!"

He's surely
observed...

Who is
stronger, you
or the Hell
Knight?

Stance...

*He knows
Supreme-Dragon
Hell can fight
with more than
a sword...*

You've got
"all expert
swordsmen
should go to
hell" written
all over your
face.

I hate
expert
swordsmen!

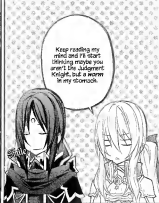

Such
outstand-
ing swordsmen-
ship is quite re-
cognizable.

How
did you
figure out
who he
is?

Yes.

The Son of the God of War will still win even if Elish and Supreme-Dragon Hell gang up on him!

Keep reading my mind and I'll start thinking maybe you aren't the Judgment Knight, but a worm in my stomach.

...How is it going?

The Son of the God of War isn't called the head of the Temple of War for nothing. He really is something to reckon with.

If Supreme-Dragon Hell does not counter the attacks with something other than his sword, he will die out eventually.

As expected
of the Son of the
God of War! He's
so strong!

You're just
"Luckily, I never
intended to fight
him myself" written
on your face...

Impressed!

Then I had
better leave.
Otherwise,
people will
wonder why
I did not
interfere.

It's almost time...

Don't interfere,
no matter
what hap-
pens later.

Wudge is
always so
thoughtful.

Don't go
home!

Crash!!!

Plus, I can remain blissfully ignorant of what you have done.

That's great.

I'd like to avoid coming to his front street, being beaten to pulp and having to apologize.
